Be careful with what we publish

Maybe

Sue is not sure if she can make 1/30 meeting...WE do not want Maxine as our representative

Speaking points/plan

This is a document Brendan sent me (and I imagine you guys too) this weekend.

I cleaned it up a bit and added some to it...

He suggested we get the talking points (the first list) info to all the folks that Helene emailed this weekend and that we get input from all.

Do you guys want to make edits and then we can send it out?

Sorry this is a bit disjointed. I am in a bit of a fog and running on not much sleep but am totally on board with dealing with this union chaos ending and want to do whatever I can to help!
